Navilock Working lamp with battery 12 / 230 V 80 LED

Popis

The cordless LED working lamp by Navilock with 80 LEDs is versatile and ideal as a portable light source for working at home, in a workshop and at reparing your car, motorcycle or boat. The long-life battery makes it independent from a power source. It is a good companion on the road and during your holidays, as the battery can be recharged via the 110 - 240 V AC adapter or via the 12 - 24 V DC adapter.

Číslo produktu 46092

EAN: 4043619460922

Země původu: China

Balení: Kartonová krabice

Specifikace

- Working lamp with 80 LED in cool white
- Rechargeable battery 9,6 V / 950 mAh
- Power over 12 - 24 V DC or 110 - 240 V AC
