

Navilock Charger 1 x USB type A with Qualcomm® Quick Charge™ 2.0 black

Description

This Navilock USB power supply can be used to charge one USB device. With Qualcomm® Quick Charge™ 2.0 technology, supported devices can be charged up to 75% faster. This power supply adjusts the output voltage to the device being used, and thereby achieves a charging time, which is up to two thirds shorter. Other USB devices can be charged with up to 1.5 A at 5 V.

Compatible amongst others
