

Navilock Laptop Security Cable with Key Lock for HP Nano slot - Carbon steel cable

Description

This laptop security lock by Navilock enables to lock different devices e.g. laptop, projector, monitor etc. at any place. The **1.5 m long carbon steel cable** with the **key lock** can easily be tied around objects such as a table leg, chair or similar, thus securing the device from theft. The **180° swivel joint** facilitates the attachment of the lock.

Nano slot compatible

This laptop security lock is compatible with the so-called **Nano slot** and thus suitable for many particularly light and slim **Ultrabook's**. The 2.5 x 6.0 mm opening on the case is called Nano slot. On many devices this opening is marked with a lock symbol.

Item no. 20691

EAN: 4043619206919

Country of origin: Taiwan,
Republic of China

Package: Retail Box

Carbon steel

This carbon steel cable is characterised by particularly high cut and theft protection and, at just **104 grams** and a length of 1.5 m it offers optimum mobility.

Note

This security cable is compatible with the series: HP Chromebook, Elite, Elitebook, Envy, Omen, Pavilion, ProBook, Pro, ZBook, as well as the Lenovo Thinkpad X12 Detachable Tablet and Asus ExpertBook B9 B9450, ROG Zephyrus GA401 and ROG Zephyrus G GA502 (2019).
