Navilock Dual Laptop Security Cable with Key Lock for two Kensington slots 3 x 7 mm

Description

This laptop security lock by Navilock enables to **lock two different devices** e.g. laptop, projector, monitor etc. at any place. The steel cable with its **1.8 m** and **key lock** can be tied easily around objects like chairs, table-leg or anything similar and thus the device will be saved against theft.

Kensington slot compatible

This laptop security lock is compatible with the so-called Kensington slot. The **Kensington slot** is the **3 x 7 mm** opening on the housing. On many devices this opening is marked with a lock symbol.
Because of the small design of the lock, this security cable is ideal for slim netbooks.

1,8 m

Item no. 20934
